

Kids Can Sew Summer Camp - Release Form

Our goal at Sew L.A. is to provide all of our students with an exemplary sewing education!. Your child will be learning in a professional sewing environment with professional equipment such as sewing machines and irons. Use of this equipment is monitored at all times, and proper safety methods are taught without fail. For the safety of your child and others please review the following policies regarding enrollment. Once you have read the following information, please sign, date and return the registration form prior to the first session in which your child will be participating. No class registration will be considered complete and/or final, nor will any child be allowed to participate in the Kids Can Sew classes at Sew L.A. prior to receipt of this signed release. Please understand that Sew L.A. makes no exceptions to the following conditions.

1. Only a parent or legally recognized guardian may register a child for the Kids Can Sew Summer Classes.
2. Participation in the Kids Can Sew classes is solely at the risk and liability of the parent or legal guardian enrolling the child.
3. Due to the potentially dangerous nature of sewing equipment and tools, it is the responsibility of the registering parent or guardian to ensure the proper placement of the child with regard to the child's skill level. Sew L.A. and its employees cannot accept liability for any injury or damages that you or your child may suffer related to premises of Sew L.A. or participation in activities sponsored by Sew L.A. Every effort will be made by Sew L.A. and its employees to ensure the safety of your child while on the premises of Sew L.A.
4. All weeks feature different projects, but the skill level is the same for all beginning or intermediate classes. Once your child completes two beginner weeks (or has similar experience), they are eligible for an intermediate week. If your child has never used a sewing machine before, they would be in Level 1 Beginner. If they have had some experience with a sewing machine – either in one of our after school programs or at home – then they are most likely ready for Level 2 Intermediate. Please contact Sew L.A. with any questions as to the skill level of the child and appropriate placement prior to class registration. Sew L.A. can arrange to meet with your child to get a level recommendation prior to final enrollment.
5. If an emergency or illness occurs while your child is on the premises of Sew L.A. and the Sew L.A. staff determines that the situation is life threatening or otherwise potentially hazardous to your child, your child's health, other children or any property, we may escort the child from the premises of the building. We may at that time request any personal, governmental or professional assistance that is deemed necessary to protect the welfare of the child.
6. Sew L.A. staff may not administer any medication to any child. If the child has a pre-existing condition requiring or a need for prescribed medication, please ensure that the parent or guardian is able to satisfy these needs either prior to or after the day's session.
7. For the welfare of everyone, if your child is sick on a class day, please keep him or her home for the day. Every effort will be made to provide your child with the missed day's activities. Please call to make arrangements for scheduling a makeup session.
8. Please make arrangements to arrive no earlier than 10 minutes prior to the commencement of class, and to retrieve your child no later than the scheduled conclusion of class. Additionally, if your child is more than 10 minutes late for class, his or her participation in that day's session will be forfeited, and no refunds will be granted.
9. Any personal belongings of the enrolled child or the parent or guardian that enter the premises of Sew L.A. remain the sole responsibility of the child, parent, or guardian. Sew L.A. shall not be responsible for lost, stolen, or damaged property or belongings.
